

RANJIT RAJBANSHI

Backend Developer (Laravel)

Biratnagar, Nepal | +977 9824301087 | ranjitrajbanshi158@gmail.com | [LinkedIn](#) | [github](#)

PROFESSIONAL SUMMARY

I am a Backend Developer with hands-on professional experience across two companies, developing and maintaining web applications with PHP and Laravel. I specialize in RESTful API development, MySQL database design, and building secure, scalable backend solutions. I have delivered applications including e-commerce platforms, appointment and training management systems, and community savings and loan management systems. I am passionate about writing clean, maintainable code, solving complex technical challenges, and continuously learning new technologies.

SKILLS

Laravel, PHP, MySQL, RESTful API Design, HTML, CSS, JavaScript, jQuery, Ajax, Tailwind CSS, Postman (API Testing), Git and Version Control

CORE COMPETENCIES

MVC Architecture, Database Design and Optimization, API Integration, Agile Collaboration, Debugging and Code Review, Problem Solving

WORK EXPERIENCE

Backend Developer (Laravel)

Martinsofttech (Present)

- I develop and maintain backend features for web applications using PHP and Laravel.
- I design and build RESTful APIs and MySQL-backed data models to support application features.
- I collaborate with the team on debugging, code review, and timely feature delivery.

Backend Developer (Laravel)

Ratoguras Technology (Experience Letter Ref. No: EXP/2083/2026/004)

- I developed and maintained backend features for web applications using PHP and Laravel.
- I built and consumed RESTful APIs to support application functionality and third-party integrations.
- I performed API testing using Postman to verify functionality, handle edge cases, and ensure reliable data exchange.
- I worked with MySQL databases to design schemas, write queries, and optimize data retrieval.
- I collaborated with the development team to debug issues, review code, and deliver features on schedule.

PROJECTS

Bajrang Steel([bajrangstell.com](#))

- I developed a corporate website for a TMT rebar and structural steel manufacturer, featuring a product catalog (TMT bars, I-beams, C-channels, angles) and an interactive image slider showcasing reinforcement structures inside buildings.
- I built project and blog modules highlighting major infrastructure projects (highways, hydropower plants) and company certifications (NS-191, ISO 9001:2015).
- I implemented a quote/inquiry request system integrated with WhatsApp, along with an admin panel to manage products, projects, testimonials, and site content.

Pearl Makeup Studio([pearlmakeupstudio.com](#))

- I developed a Laravel-based platform for a luxury bridal makeup studio, featuring service packages, online appointment booking, and a training/admission module for makeup classes.
- I built a dynamic package catalog with multiple tiers (Luxury, Master, Senior) and curated service inclusions, along with gallery and testimonials sections.
- I implemented backend logic for booking and package selection, class admission/enrollment handling, and contact functionality for client inquiries.

Tole Bikash Samiti - Community Savings & Loan Management System (College Project)

- I built a system to manage community savings, loan disbursement, and repayment tracking using PHP and Laravel.

- I developed member management functionality including registration, member records, and account history.
- I designed the database to accurately track savings balances, loan status, and transaction history.

Sherpa Churpi - Himalayan Dog Chew(sherpachurpihimalayan.com)

- I developed a responsive e-commerce website for a Himalayan yak-milk dog chew brand, showcasing product benefits, nutritional information, and ordering details.
- I implemented product, benefits, and nutrition-facts sections along with a contact form to capture customer and retailer inquiries.
- I built the site to highlight the product's natural ingredients and manufacturing process, helping the business reach pet owners and distributors online.

EDUCATION

BSc CSIT (Running) - Himalaya Darshan College, Affiliated to Tribhuvan University
